

Qcslink VoIP Setup Instructions

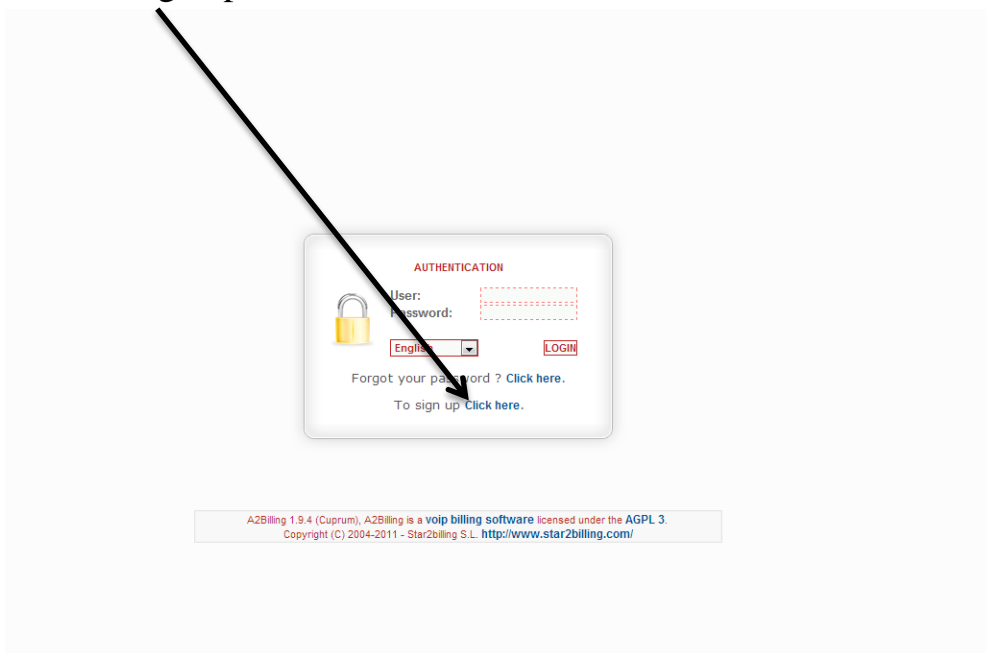

1. Begin by browsing to the Qcslink.com home page and then click the VoIP Service Picture

2. Select Pre-paid Customer Portal
3. Click “Login with ID and Password to Manage VoIP Account” and it will direct you to another webpage (*Note: Some browsers will warn the user that the server is not recognized, and that it may produce a security threat. Please disregard this warning if you receive it, as the website it is directing you to is indeed a legitimate website used for our VOIP systems*).

4. Click to sign up for an account

5. Fill the form out as accurately as possible

The screenshot shows a detailed registration form with the following fields: LANGUAGE (dropdown: ENGLISH), CURRENCY (dropdown: U.S. Dollar (USD) (1.00000)), CALL PLAN (dropdown: INC5_USA_ONLY), LASTNAME, FIRSTNAME, EMAIL, ADDRESS, CITY, STATE/PROVINCE, COUNTRY (dropdown: United States), ZIP/POSTAL CODE, TIMEZONE (dropdown: (GMT+10:00) Brisbane), PHONENUMBER, FAXNUMBER, COMPANY NAME, COMPANY WEBSITE, VAT REGISTRATION NUMBER, TRAFFIC PER MONTH, TARGET TRAFFIC, and VERIFICATION. A red horizontal line is drawn across the form, starting from the left edge and ending at the PHONENUMBER field. An arrow points from the text "Everything after the red line is optional except verification line" to the CAPTCHA area. The CAPTCHA area contains a grid of letters and numbers, with the code "B X M P J T" highlighted. Below the CAPTCHA is a text input field with the placeholder "Enter code from above picture here." and a "SIGNUP" button.

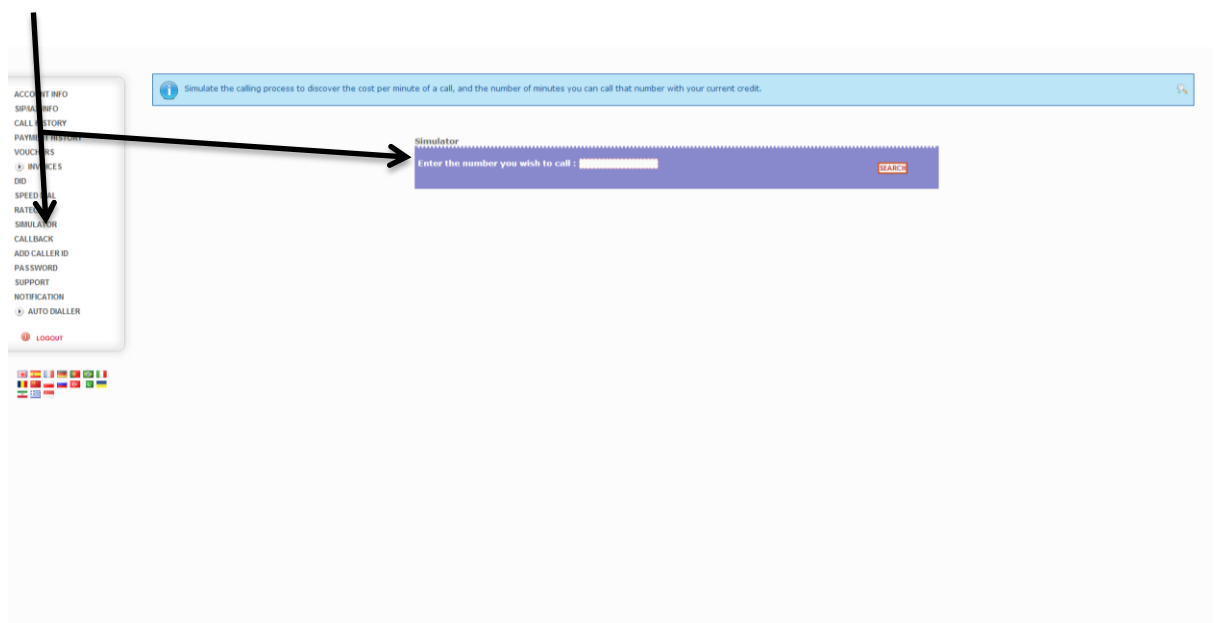

Everything after the red line is optional except verification line

6. Check your email for details on how to log into your account (be sure to check your spam folder)

7. After clicking the link in the email you should be directed to another email where you will find your password.
8. Return to the customer login screen in step 4 and enter your email address or the user ID given to you and the password in the email.
9. Use PayPal to add credit to your account

10. Return to your account screen and then click simulator to see how much it would cost to call a number by entering the number in the space provided.

In these 10 steps your VOIP account should be in proper working condition and ready for your use. If you had trouble receiving emails or are otherwise unable to access your account, please email Support@Qcslink.com and we will be glad to assist in resolving your discrepancies.

Happy Calling!
